

ABOUT THE JOURNAL

Volume 1, No. 2 | July - December 2015 | Published Biannually

Journal of Rehman Medical Institute (JRMI) is an initiative to introduce a high quality standard publication that highlights important research output from medical professionals of the country and around the world. This journal provides immediate open access to its content on the principle that making research freely available to the public supports a greater global exchange of knowledge.

JRMI follows international guidelines for peer-reviewed journals as provided by the International Committee of Medical Journal Editors (ICMJE; www.icmje.org) and the Committee on Publication Ethics (COPE; www.publicationethics.org)

The journal accepts Original Articles, Short Communications, Case Reports, Review Articles, Conference Reports, Letters to the Editor and General Articles of medical interest. It is open to all biomedical professionals whose work has a bearing on human health and disease.

Disclaimer

The Journal of Rehman Medical Institute is a research journal for biomedical professionals of all countries. It has been given official declaration by the Government of Pakistan. All rights are reserved by the Laws of the State of Pakistan.

The journal content is published in good faith solely for academic and research purposes. The Editorial staff or the Institution bears no liability for use of content (including interventions and procedures) by any person/body/institution/organization, etc. for any purpose other than explicitly stated and understood by the authors of the concerned article(s).
